

Rental Addendum

Dune Buggy renters must be 25 years old to rent or drive a dune buggy. This is a requirement from our insurance company and cannot be waived.

Each renter should carry a minimum of \$300,000 of bodily injury coverage, per person included in their personal insurance coverage.

The buggy has a 4 – speed manual transmission. If the renter is not comfortable driving a manual, please do not try to learn on the dune buggy.

The buggy is full of gas at departure. Please refill the tank with premium gas only, before returning and bring a copy of the receipt with the key. There will be a charge of \$6.00 per gallon if the car is not returned with a full tank of gas.

If there is a mechanical issue during the rental, please contact our office for assistance at 252-489-1622.

If the vehicle is abandoned, the renter will be charged full tow amount to have the buggy returned to the shop. Any damages that have occurred during the rental will be subject to charges for the repairs.

Please return the buggy on time. Give us a call at 252-489-1622 if you think you may be running late. We will charge the renter a late fee of \$75.00 per hour.

Thank you for renting with the Fun Times Dune Buggy Rentals!
